This matter comes before the Public Service Commission of South Carolina (Commission) on the request of KMC Telecom V, Inc. (KMC V or the Company) to cancel the Company's Certificate of Public Convenience and Necessity (Certificate) to provide local exchange and interexchange telecommunications services in South Carolina. A review of the Commission's records reveals that the Commission granted KMC V authority to provide telecommunications services in the State of South Carolina by Order No. 2001-297, dated April 30, 2001.

By letter filed April 5, 2006, through Consultant for KMC Telecom Holdings, Inc., the Commission is advised that KMC V seeks cancellation of the Company's Certificate of Public Convenience and Necessity to provide telecommunications services in South Carolina. KMC V asserts that the Company ceased operations in 2005 and no longer provides services in the state of South Carolina. According to KMC V, the Company provided wholesale data services to other carriers and did not provide any retail services to end-user customers and at the present time, KMC V has no customers.

As KMC V is no longer providing the services for which the Company's Certificate of Public Convenience and Necessity was granted, the Commission finds and concludes that KMC V's Certificate of Public Convenience and Necessity to provide telecommunications services should be cancelled.

IT IS THEREFORE ORDERED THAT:

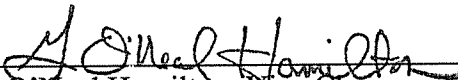

1. The Certificate of Public Convenience and Necessity to provide local exchange and interexchange telecommunications services in the state of South Carolina authorized by Order No. 2001-297, dated April 30, 2001, issued in the instant docket to KMC Telecom V, Inc. is hereby cancelled.

2. This Order shall remain in full force and effect until further Order of the Commission.
